|--------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| 1            | Earth work excavation by manual means in ordinary soil involving an average horizontal throw upto 2 meters and an average lift upto 0.5m, excavated surface leveled and sides neatly dressed, the disposed earth to be leveled neatly after breaking of clods etc complete as per specifications and directions of engineer in charge of the work                                                                                                                                                                                                                                            | Cum   |
| 2            | Providing and laying in position plain cement concrete of <b>mix 1:4:8 with OPC cement @ 180 kgs with 40mm</b> and down size graded granite metal coarse aggregates @ 0.85cum and fine aggregates @ 0.57 cum machine mixed, concrete laid in layers not, exceeding 15cms, thick, well compacted, in foundation and plinth, including cost of all materials, labour, HOM of machinery, curing etc complete as per specifications and directions of engineer in charge of the work                                                                                                             | Cum   |
| 3            | Providing and laying cement concrete using 20mm and down size granite jelly of ready mixed concrete (RMC) for R.C.C works laid in 15cms thick layers and well compacted vibrating, curing, finishing with necessary cement mortar, form works and scaffoldings to withstand pumping of concrete, with all lead and lifts etc., complete (exclusive of cost of steel and fabrication charges.) Ready mixed Cement concrete M-20 (1:1.5:3) for raft foundation, column footing, main and secondary beams.r etc complete as per specifications and directions of engineer in charge of the work | Cum   |
| 4            | Providing T.M.T steel reinforcement for R.C.C work including straightening, cutting, bending, hooking, placing in position, lapping and / or welding wherever required, tying with binding wire and anchoring to the adjoining members wherever necessary complete as per design (laps, hooks and wastage shall not be measured and paid) cost of materials, labour, HOM of machinery complete as per specifications. Specification No. KBS 4.6.3 <b>TMT Bars FE 500</b> etc complete as per specifications and directions of engineer in charge of the work                                 | Tonne |
| 5            | Providing and removing centering, shuttering, strutting, propping etc., and removal of form work for <b>vertical surface such as walls</b> at any thickness, including attached pilasters, buttresses, plinth and string courses cost of all materials, labour etc complete as per specifications and directions of engineer in charge of the work                                                                                                                                                                                                                                           | Sqm   |
| 6            | Providing granite slabs of selected quality roughly dressed and fixed in cement mortar(1:6) including fixing curing etc, complete 7.5 cms thick etc complete as per specifications and directions of engineer in charge of the work                                                                                                                                                                                                                                                                                                                                                          | Sqm   |
| 7            | Providing chamfering edges to stone slab 2.5cms. wide as per specifications. (only chamfered length shall be recorded) etc complete as per specifications and directions of engineer in charge of the work                                                                                                                                                                                                                                                                                                                                                                                   | m     |
| 8            | Providing two line dressing to granite stone slab / granite stone masonry as per specifications. etc complete as per specifications and directions of engineer in charge of the work                                                                                                                                                                                                                                                                                                                                                                                                         | Sqm   |
| 9            | Providing and laying in position plain cement concrete of <b>mix 1:2:4 with cement @ 240 kgs with 20mm</b> and down size graded granite metal coarse aggregates @ 0.878 cum and fine aggregates @ 0.459 cum, machine mixed, concrete laid in layers not exceeding 15cms, thick, well compacted, in foundation, plinth and cills, including cost of all materials, labour, HOM of machinery, curing etc complete as per specifications and directions of engineer in charge of the work                                                                                                       | Cum   |
| <b>Total</b> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |       |
